

Artfully drawn characters: the new Pitt Artist Pen hand lettering sets

Whether it be a motto, words to live by or a favourite quote – hand lettering can produce true works of art. And once you’ve finally gotten the hang of it, you will swear by the creative and relaxing analogue technique of lettering.

Faber-Castell offers fans of the DIY movement a wide range of drawing and writing utensils that are useful for hand lettering. Now available: the two “Flowers” and “Good Vibes” sets with Pitt Artist Pens in pink and blue shades with various tips. They are also ideal for anyone who simply wants to try out the trend: by varying the brush stroke, even novice creative minds can draw fine lines, sweeping strokes and the tiniest details.
