Goldfaber Aqua and Pitt Artist Pens Calligraphy Studio Boxes

Compact, light and simply practical – Faber-Castell Studio Boxes are both useful and stylish companions. All in white and equipped with a high-quality magnetic clasp, they keep Goldfaber Aqua and Pitt Artist Pen Calligraphy pens safe and secure while still granting quick access to these creative tools, both at home and on the go. Once opened, these lightweight sets show off their colourful contents. Three perfect gift sets for creative trendsetters as well as budding and amateur artists:

Goldfaber Aqua Studio Box

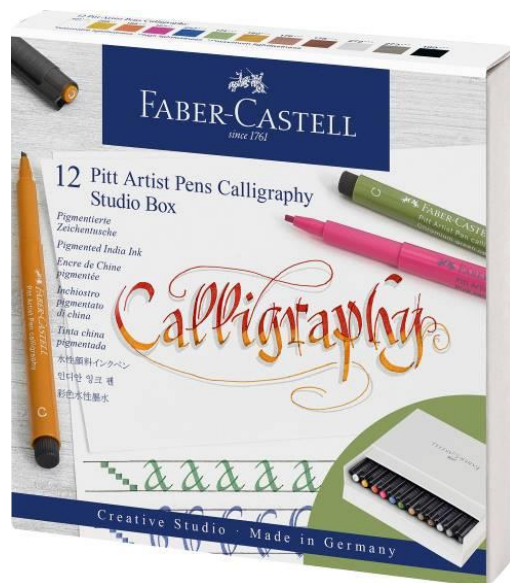

Goldfaber Aqua colour pencils are the creative companions that amateur artists would love to have at hand when out and about. These pencils were made using an innovative technology to give them particularly soft leads and intensely vibrant, lightfast colours. When used dry, they are perfect for all standard coloured pencil drawing techniques while motifs drawn with Goldfaber Aqua can also be painted over with a wet brush to create stunning watercolour effects. The Goldfaber Aqua Studio Box contains 38 colour pencils plus two graphite pencils and a round brush. A great gift idea for any colour pencil lover!
